

50+ Questions to To Ask on a Date: Questions to Share and Connect

Do you struggle with good conversations on a date? Are you unsure what topics to bring up when on a date? Do you wish there was something that would tell you what questions are appropriate to ask someone you're on a date with? If you answered yes to any of these questions then this book is for you... 50+ Questions to Ask on a Date by Krista KK Mounsey offers a list of questions you can use to spark conversations on a date. Most books on dating conversations simply tell you what you should try to avoid discussing. Though there's absolutely nothing wrong with that- you need to know what not to talk about after all- it can be helpful to have some topics to spark fun (or even deep) conversations. These questions can range from funny to serious and can help you to get to know your date on a deeper level. In the pages of this book, you'll find more than 50 questions that you can use to spark date conversations. These can be used for one-on-one dates or even group dates! Remember to have fun with them!
