

# 8 Weeks to Womens Wellness: The Detoxification Plan for Breast Cancer, Endometriosis, Infertility and Other Womens Health Conditions

8 Weeks to Womens Wellness, details the environmental links to womens health conditions and provides a roadmap on how to remove built up stores of toxins from the body. Dr. Marchese describes the various ways women are exposed to chemicals through everyday products and how these toxic chemicals are linked to 10 common womens health problems. In the book, Dr. Marchese shows women how to avoid these toxins and provides healthy alternatives to cosmetics, cleaning, and personal care products. 8 Weeks to Womens Wellness is a must-have book for those who want to reduce their exposure to toxins and learn how to remove chemicals from the body through a simple 8 week at-home detoxification program.
