

Breast Support: If You or Someone You Love has Breast Cancer, You Need This Book!

When Gwendoline Smith chanced to have a routine breast examination, little did she know where it might lead. Soon, the realisation dawned on her: when the medical evidence could not be questioned, so began one of the most testing years of her life. In *Breast Support*, Gwendoline describes not just the physical and medical experience of breast cancer, but also the emotional and psychological traumas as well.
