

Ask a Missionary: Time-Tested Answers from Those Who've Been There

If you are exploring doing something extraordinary for the glory of God among the nations, Ask A Missionary will give clarity and answers for a journey into missions. Because they have been there, over one hundred missionaries from around the world, including Elisabeth Elliot, George Verwer, Phyllis Kilbourn, and Bill Stearns, share their insightful wisdom and practical advice on everything from making the decision to go, to stepping into a new life once on the field, and everything in between. - How can I know if God is leading me to become a missionary? - How do I select a mission organization? - What type of academic or practical training should I consider? - How will I be funded? The treasures amassed in this book will guide you toward serving in the most wonderful, challenging, God glorifying, eternity-impacting endeavor in the world: missions.
