

Grandpa Click-Click: A Journey Through Alzheimers Disease

Grandpa Click-Click: A Journey Through Alzheimers Disease is the story of the Dana Family and their Father, Glen Dana through the years he suffered from Alzheimers disease. Caring for a patient with Alzheimers disease is an emotionally and physically exhausting journey. For the Dana family watching their father change from the gentle, loving, intelligent man he had been was very difficult. In hindsight they realized they needed more information and education about Alzheimers disease to have coped more efficiently. Writing of their experience became a natural way to help others in the midst of their journeys. Grandpa Click-Click: A Journey Through Alzheimers Disease is their story and the story of the man who, in the end, could only click his feelings of sadness or humor to them.
