

## Destiny Path of Life - The Journey Begins

Where is your destiny? What will you find when you get there? If you died today, what would be your legacy? Would anyone remember you and why? Join Bill Solomon as he begins the journey of his life. Discover the secrets he almost misses as he races towards his destiny and dreams. What happens along the way? Discover what he finds as it radically changes his life and his destiny. Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your soul ... This fiction book is written in an allegory fashion. Each one of us travels a path in life to our own destiny. It is a choice we must make and there is a reality at the end. In fact, even if we choose not to make a choice, we will in the end, have made one. There are many voices in the wind and the advice from each is just as diverse. The truth, however remains long after the passing of the storm. It then appears plain and simple, even as the rainbow high above. Let the journey begin ...
