

## DoxaSoma: The Daily Practice -Book One

Spend 30 days immersed bodily in Gods word through a daily practice of DoxaSoma. Each day offers a new DoxaSoma position to put into practice, the verse which informs that position and points of focus and reflection. Each position builds upon the last so that at the end of each week you have a full sequence of movements to bring you to a place of praise and worship. Written by DoxaSoma founder and developer, Angela Doll Carlson, The Daily Practice of Praise is the perfect way to begin or deepen your practice of DoxaSoma. Book One is a gentle introduction to the practice of DoxaSoma.
