

Giant Cheeseheads!: The Giant-Packer Rivalry 1928-2014 (Volume 1)

Before the Super Bowl Era, the Giant-Packer rivalry was one of pro footballs best. They played for the NFL Championship five times, and this book captures all the best games, players and stories. The book also explores the interesting connections between the two teams. Many fine Packer players and coaches were connected to the Giants before finding success and greatness in Green Bay.
