

We need to take a long, hard look at Boaz. He was an average Joe—but God was at work in every circumstance of his life, not only for him, but for generations of his children yet to come. By the way, that’s exactly what the Lord is doing in your life. Boaz became a part of the greatest story in history when he made his decision to marry Ruth. In a culture that deflates masculinity and reflects the sad state of fatherhood in our world today, Boaz stands as an example of true biblical manhood. In the pages of Real Valor, Steve Farrar’s third installment in the Bold Men of God series, find the courage to rise up and shepherd your family in the way of Boaz.
