

Life flow one: The solution for heart disease

From back cover: Heart disease kills more people than any other disease, yet the treatments for heart problems are among the most barbaric of all medical practice. Bypass surgery is a proven fraud. You are right to doubt the honesty of medical claims about food containing dangerous cholesterol or the benefits of cholesterol-lowering drugs. Author is not a doctor, but he understands them well enough to explain the good guys and the bad ones. (Description by http-mart)
