

Highland Spirits: The Highland Series, Book 4

In the final volume of Amanda Scotts engrossing Highland series, a Scottish heiress falls in love with a man who seems to have been plucked from her dreams. Penelope MacCrichton watches the tall, broad-shouldered figure walk toward her across the mist-shrouded loch. Is he a phantom, a restless, sensual spirit fated to live only in her secret fantasies? Or is he the seductive, brooding stranger she meets later in London...who may not be a stranger at all? Michael Mingary, Earl of Kintyre, is enchanted by the reserved Highland heiress, even as he's haunted by unsettling dreams of a ghostly Scottish castle. Desperate to save his family legacy, he strikes a bargain with the Campbells—a clan with whom he has an old score to settle. But when Penelope makes a bold counter-proposal, he's tempted beyond all measure. Surrendering to passion, Michael and Penelope gamble on a love that holds the promise of the future—a love that could be the fulfillment of all their dreams.
