

Healing After Divorce

This book is being released because God has been urging me for a long time to release healing through this book. Divorce is considered to be unforgivable to many Christian beliefs. For many months this book has been in the process. LIFE AFTER DIVORCE is for more than the divorced person but also those who want to find Gods heart concerning the topics of divorce and remarriage. Before we get started I want you to know it is true that God HATES divorce and we should never jump at the first opportunity to divorce the one we once loved. If you are ever going to consider the blessing of Holy Matrimony then this book can help you to avoid the missteps that lead to divorce. There is a lot that we are going to get into so may you receive revelation for yourself and let it set you free as you read LIFE AFTER DIVORCE.
