You have to really be committed in order to get where you want to be and that is going to require a lot of hard work. No one really likes to deprive themselves of the junk food or even just the not so healthy food that they really like. So what drives you? Thinking about the motivating forces that you have to keep you on your path is extremely important. The more of those forces that you have, the better you're going to do. After all, when the going gets tough (and it will) you'll need something right there behind you to help you overcome the negatives and beat out those cravings. BOOK #2: Weight Watchers: Lose Weight Fast with 7-Day Low Carb Meal Plan Many people have successfully lost weight with a low-carb plan. It can be a great way to avoid feelings of hunger and balance your blood sugar levels, leading to safe, sustainable weight loss. This guide will help you stay on track, using the Weightwatchers points system no need to count calories! This book has recipes for breakfast, lunch and dinner. It also includes tips on keeping a food diary and staying motivated. BOOK #3: Weight Watchers: Lose Weight Fast with 7-Day Clean Eating Meal Plan This is a book that offers you a healthy tasty well balanced 7 day diet plan that is going to help you shed those excess pounds in a healthy and easy way. This is a diet that is a low carbohydrate and high protein diet. It is based on the theory that if a person consumes a perfect balance of proteins, carbohydrates, and fats each snack and meal will achieve a balance in

hormones. This balance will result in a controlled level of insulin which leads to an array of health benefits. One of these health benefits is the lose of excess weight!
