

Food Fight! How to Knock Out Overeating

America is fatter than when the diet craze began in the 1970s. We are frustrated, living in a land of abundance, and completely unable to quit overeating. In their book, *Food Fight! How to Knock Out Overeating*, Jana Miller and Jon Wilhelm have unveiled the 3 reasons and cure to why people overeat. It is unique, exciting, and a relief to millions of Americans who are living in daily disappointment and self-hatred because of their overeating, whether they are actually overweight or not. This message is relevant to all and crucial in the current healthcare crisis.
