

A Fragrance That Lingers

A Fragrance that Lingers is a retreat that focuses on being infused with Gods love. Because of this great love, our lives are changed and different in a beautiful and fragrant way. The teaching concentrates on the sinful woman in Luke 7:36-50 and ends with an anointing ceremony and communion. The following is emphasized at this special retreat: 1) God wants to be present in our lives in a sweet way. 2) Because of this presence, he would like us to leave behind a beautiful fragrance for others to sense. 3) Because of this fragrance, others will desire to have God in their lives (our witness). 4) God wants to infuse our lives with His love. A Fragrance That Lingers is a leader-guided booklet filled with everything needed for a successful retreat: detailed schedules, teaching material, fun and memorable activities, song suggestions, workshop materials, and much more.
