

The Mountain Queen: A Journey to the Great King

The Mountain Queen is a beautiful book of hope and life eternal. This story takes happily ever after to a place where most childrens books leave off. With beautifully rendered illustrations, and a simple poetic style, The Mountain Queen is perfect for the young reader; yet, it is equally as moving and meaningful for adults as well. As you read, you will follow in the steps of a young girl on her journey as she imagines herself queen of the mountain. With each page the girl ages as she pursues the King of the mountain. Soon, the reader realizes that this is not just a story of a girl, but an allegory representing all sojourners of this earth. The Mountain Queen will captivate the reader with its amazing promise of love and eternal life. This book is sure to be an heirloom treasure.
