Whats harder than resisting one Dane man? Resisting two. I dont date bikers. Its my one cardinal rule. No rough, rugged, tattooed egotistical maniacs on two wheels. Even if they are gorgeous, brilliant, and sport the prefix Doctor. Bottom line, bikers are nothing but trouble. T.R.O.U.B.L.E Dr. Devlin Dane has had his sights set on my panties for months. But Ive done a stellar job of fending him off. As Mercy Medicals most eligible bachelor, he has no problem in the panty dropping department. Hes tall, dark, and inked all over. I get the appeal, Im not dead. Im not stupid either. Hes a walking heartbreak waiting to happen. But when Reese Dane comes crashing into my life - literally- the game suddenly changes. Reese, the dark, brooding, motorcycle racing champion, knows exactly how to apply the right pressure on and off the track. The two have an unstoppable pull like centrifugal force, and both bad boy bikers are determined to take me on a high-powered ride Ill never forget... *MOTO is an unconventional (menage) standalone novel. Spare panties and a box of tissues may be required.
