

Cultivate an Intimate Relationship with God The Psalms are some of the most widely read and best-loved portions of the Bible. For thousands of years these songs of faith have spoken to the hearts and minds of people around the world. The Psalms are songs—music our spirits sing to the Creator. They are poems—full of vibrant imagery and strong rhythms. And they are prayers—our deepest emotions expressed to the Lord who feels with us. Most importantly, the Psalms are God’s Word to us, revealing the truth about him and our relationship with him. In these studies, Ron Klug leads us into an exploration of the Psalms and the intimate knowledge that can grow between people and their Creator. Through literary insights and thought-provoking questions, Klug invites you to enjoy and study these songs of praise, lament, thanksgiving, and trust.
