

Strategy When Facing Opposition

Strategy When Facing Opposition is a book for those who know that if God be for you, then who can be against you. You don't fight for the sake of fighting. When you go to battle you must ask yourself, is it really worth it. I found out anything worth having is worth fighting for. God is declaring over you. Philippians 1:6 says, being confident of this very thing that he which hath begun a good work in you will perform it. God will carry out what has been called for in your life. Your later will be greater than your past, despite all that has been done your best is yet to come! I trust that through these pages of my own struggles that you will learn the strategy for the opposition.
