Chizoma Cluff Nosiri, Editor-In-Chief and Self-Esteem Guru I wish Id had this book when I was 16/17, right before I married my ex-husband. If Id asked myself these questions, learned the signs of an abuser, or even just met someone who could enlighten me to abuse and that it existed, things may have been a little different. If youre getting into a relationship or want to, this is a fantastic book to get in order to ask yourself very specific questions. shower but I think it would save a lot of lives since most women who are killed are killed by their intimate partners.
