

Catching The Crown

Written by Lu Parker, Miss USA 1994, a successful competitor with extensive experiences in pageants, *Catching The Crown* is a must for anyone involved with pageant competition at any level. *Catching The Crown* covers everything involved in today's highly competitive pageant environment. Topics include advice on hair, skin care, make-up, physical preparation and what to expect during competition. Parker's guidebook takes the pageant process one step further by speaking candidly about travel, dealing with the press, packing and fan-mail-even boyfriends.
