

In this important new booklet, naturopath Dr. Jane Semple introduces you to Parkinson Disease, its symptoms, and traditional medical treatments-some of which can cause serious side effects. Instead, Dr. Semple offers a holistic naturopathic approach involving proper nutrition, vitamins, minerals, amino acids, herbs, and other natural dietary supplements. Concluding by addressing quality-of-life issues such as the importance of exercise, this booklet offers new hope to those who have exhausted conventional medical treatments for Parkinson disease.

The Screwtape Letters, Devotional Journal: Shared Blessings: Inspiration for a Womans Heart, Essential Finance Guide, Curriers Quick and Easy Guide to Saltwater Fly Fishing, [(Anxiety and Mood Disorders Following Traumatic Brain Injury: Clinical Assessment and Psychotherapy)] [Author: Rudi Coetzer] published on (April, 2010),
