

The Most Memorable Games in Giants History: The Oral History of a Legendary Team

With extensive reporting and engrossing storytelling, Jim Baker and Bernard Corbett give us the scenes of one of the NFLs most successful and popular franchises. Interviews with Giants legends who participated in these historic moments put us behind closed doors in the commissioners office during a fixed game in 1946, in the backfield wit Frank Gifford as the Giants advance to the championship in 1958, and in the huddle with Eli Manning as he diagrams the play that would result in the deciding touchdown in the 2008 Super Bowl. With an eye for memorable details and historical significance, Baker and Corbett let the players themselves tell the war stories that all Giants fans love to relive, and in so doing, construct an engrossing and exciting history of the team and the sport. The book will also feature revealing statistical sidebars and fresh analysis of the games that throw new light on the history of the team.
