

# The Player Slayer: The Pocket Guide to Jamming the Players Game

The Player Slayer is an outrageous and hilarious guide on how to defeat, reject and otherwise deflect the players in your life. Its a real world revision of The Rules, an urban answer to Hes Just Not That Into You. With steel-sharp wit and cutting insight, Ms. T breaks down both the player and the game. Most importantly, she shows you how to turn yourself from a markalone, outraged and disappointedto a slayer strong enough to withstand even the best game. Ms. T blows away the whole dont hate the player, hate the game smokescreen to reveal what makes a player a player, what makes his game work, and why women get beaten up in the game. This down-and-dirty guide will leave you empowered with the knowledge to outwit, outlast, and outplay even the players player.
