

The Womans Book of Money and Spiritual Vision: Putting Your Financial Values Into Financial Practice

Money triggers powerful emotions and conflicting messages, especially for women. But for those who want to look at their finances in new and freeing ways, this workshop in a book complete with worksheets, journaling exercises, and meditations strips away misconceptions about money and shows women how they can create a secure future and shape a better world. It walks readers through a six-stage process encouraging them to explore feelings about money, identify core spiritual values, and make sound decisions reflecting those values.
