

## Vodka Classified: A Vodka Lovers Companion

Made from grains, molasses, potatoes, and even grapes, vodka is the traditional beverage in eastern Europe and Scandinavia, but has recently become ultra-fashionable elsewhere in the world. This extensive guide highlights vodkas both from the traditional producing countries Russia, Poland, Finland, Sweden, and the Baltic States as well as newer distilleries worldwide, from Kazakhstan to New Zealand. Tasting notes on the different styles and flavors are included along with information on the origins, history, and regions of vodka production. Dozens of classic and refreshing new recipes round out this comprehensive guide to one of the world's most popular liquors.
